RUBY FALLS®

Conservation

Recognized as a leader in tourism sustainability, Ruby Falls is committed to inspiring extraordinary connections to nature by protecting and preserving the natural wonders of the cave for generations to come. Ruby Falls is the first attraction in the United States to earn Green Globe certification, the respected worldwide standard for sustainability; and a recipient of the Governor's Environmental Stewardship Award for Excellence in Building Green. The park's atrium Hospitality Center, Village Gift Shop and Village Plaza earned Bronze LEED designation. Ruby Falls Cave and the historic Ruby Falls Castle, circa 1929, are on the National Register of Historic Places.

Water and energy conservation, electric vehicle charging stations, solar energy, reduction of emissions, LED lighting, recycling, natural habitat protection, organic waste composting, sourcing sustainable business products, using environmentally sensitive building design and materials, plus a 16,000-gallon rainwater collection system for irrigation are just a few of the ways sustainability is at the core our business practices.

Upper and lower decks of Historic Lookout Mountain Tower, built in 1929, and wheelchair accessible Blue Heron Overlook offer exceptional views. *Take in the scenic beauty of the peaceful river, green valleys, pink-hued sunrise, and distant mountain ranges while watching for blue herons, soaring hawks, and songbirds.*

RUBY FALLS®

HISTORIC Ruby Falls Castle

and HISTORIC Lookout Mountain Tower

Climb + Soar

Eat + Craft Beer

Ruby Falls, selected as one of the 13 most scenic overlooks in Tennessee, received a special viewfinder outfitted with an innovative lens designed to enable people with colorblindness to see a wider range of vibrant, true colors. With the viewer, created by the Tennessee Department of Tourist Development, more folks can fully experience the colorful beauty of the region.

Listed on the National Register of Historic Places, Ruby Falls Castle has welcomed generations of guests eager to explore Lookout Mountain's underground caverns and the park's diverse ecosystem since 1929. Designed by Chattanooga master architect, R.H. Hunt, to resemble a 15th century castle, it is a beloved area landmark built with limestone excavated during the construction of the elevator shaft and carefully planned cavern trail.

As part of the castle built in 1929 with limestone excavated during construction of the Ruby Falls elevator shaft, Lookout Mountain Tower offers unmatched views from lower and upper decks. The mesmerizing, 360-degree panoramic view is exceptional.

In partnership with the nation's premier climbing gyms, **HIGH POINT ZIP ADVENTURE AT RUBY FALLS** offers the ultimate zipline and climbing experience with gliding ziplines and 40-foot climbing tower with auto-belays and routes of varying difficulty. High Point ZIP Adventure is a seasonal, separately ticketed park activity. *Physical requirements available at rubyfalls.com.*

CASTLE CAFÉ

The Castle Café debuted in 2022 with a brand-new look returning to its 1929 vintage roots. Enjoy a casual seasonal menu and local craft beer with table seating inside the historic castle by the original stone fireplace or on the castle's covered front porch. *Serving breakfast, lunch, dinner, snacks, coffee, fountain drinks, local craft beer on tap and dessert.*

GRAB AND GO SNACKS

Grab and go from self-serve coolers in the Village Gift Shop. Snacks, ice cream, fresh roasted nuts, treats and refreshing bottled drinks are ready to fuel your adventure.

BACK PORCH AND FRONT PORCH - SEASONAL

Order on café kiosks or the Toast app and enjoy a casual café meal outside on the Back Porch's umbrella shaded tables or covered Front Porch of the castle while enjoying the view.
